WHOA  
THE OLD  
MAN'S DEAD.

"Naginata" also means "spurts". According to 16th century customs, a woman engaged in sex or a quarrel with her husband could end up with "yours, everyone!"

Where the night wind sings of men.

This is *Gas Frontier*.

Where no matter how often a man gets killed  
he gets to be reborn as a man again.

Where men are never dissatisfied.

Where the only thing that remains are the  
memories of men being born and dying.  
Where a man cannot recall even the dimmest  
memories without shedding a tear.

*Gas Frontier*.  
A universe of freedom.

I WON'T  
COOK TILL I  
FEEL BETTER.  
ALSO, GO SLEEP  
OUTSIDE.

WOMEN  
ARE SO  
DARN
